OUR FACTORY

## Made in Egypt, since 1994

Our Nasr City Free Zone factory runs more than 30 injection machines and an in-house quality lab testing every order: visual, colour, hook pull and reverse bend tests.

As an official Mainetti licensee since 2002, we produce and export hangers to Mainetti quality, with fast delivery to the Middle East, Africa, the Gulf and beyond.

### SIZE MARKERS & PLAQUES

Sizers for most metal and plastic hooks, and custom logo plaques that put your brand on every hanger.
